## **ALCOA TO CONDUCT SATURATION PATROL**

The Alcoa Police Department will conduct a wide area saturation patrol (WASP) on Friday, January 26, 2007 from 2:00 p.m. until 8:00 p.m. Officers will concentrate on all moving and non-moving violations while paying particular attention to Alcoa Highway (US 129). Officers will also be watching for offenses such as aggressive driving and seatbelt/child restraint violations. This wide area saturation patrol is being conducted along with the Maryville Police Department as part of our joint commitment to reduce accidents on Alcoa Highway (US 129) and increase overall highway safety. This operation is funded by a grant from the Governor's Highway Safety Office and is part of our monthly grant compliance.
